COUNCIL COMMUNICATION

TO: City Council

FROM: City Manager

MEETING DATE: June 1, 1988

AGENDA TITLE: Approve Extension of "No Parking" Zones at 520 South Cherokee Lane (K-Mart Shopping Center)

RECOMMENDED ACTION: That the City Council extend the existing 40' "no parking" zones south of the K-Mart driveways to 140' (south driveway) and 130' (north driveway) "no parking" zones, and establish 30' "no parking" zones north of both driveways.

BACKGROUND INFORMATION: In response to requests by K-Mart customers and the City of Lodi's Safety Committee, staff performed a sight distance analysis at the two driveways. Semitrucks park near the driveways causing sight obstructions for motorists exiting the shopping center. Cherokee Lane and the K-Mart driveways have high volumes. Based on reported accident records, there have been a combined total of 22 accidents in the past 4 years (1984-1987) at the driveways. Eleven of those accidents were due to motorists exiting the K-Mart driveways and failing to yield.

Staff recommends the "no parking" zones as shown on the attached exhibit to improve the sight distance.
